2027 iPad Acceptable Use Guidelines – Prep to Year 3

I will **'be safe'** by:

- Viewing, creating and sharing content that is positive and respectful and for school purposes only.
- Keeping passwords and personal details private.
- Observing cyber safety rules to keep myself and others safe online.
- Holding and carrying my assigned iPad carefully and respectfully.
- Leaving my assigned iPad safely inside the classroom unless directed otherwise by a teacher.
- Using my assigned iPad away from food and drinks.
- Using my iPad on a table or in my lap and not leaving it unattended on the floor.
- Reporting any problems or breakages to a teacher immediately.

I will **'be caring'** by:

- Taking and sharing photos, videos and sound recordings ONLY when directed to by my teacher and with permission from those featured in the recordings.
- Accessing ONLY my own accounts, not those of others.

I will **'be a learner'** by:

- Being on the teacher-assigned app/program or task at all times.
- Maintaining all school-assigned iPad settings – not making any changes unless directed to by my teacher.
- Logging out of programs at the end of each activity, if using a shared device.

I understand that if the above guidelines are not followed, a consequence will be applied in accordance with the Student Code of Conduct.
